

STUDY LINKS NEW VIDEOS

Since the start of the year, we have been working with Shotblast Media to produce some informative videos about Study Links and about UK guardianship. We're really proud of the videos we have produced. The first video is an introduction to Study Links and give a taster of who we are and what we do. This was filmed at our Summer Party and features loads of our fabulous students and homestay. The second video is an animation which explains what a guardian is, why you need one and what your guardian will do for you whilst you are studying in the UK. We're really proud of our videos and we had great fun making them. Please take a look at the videos on [YouTube](#)! If you like them too please subscribe to our channel! ☺

CONGRATULATIONS!!

Study Links are thrilled to announce that Head of Student Services and Homestay, Sophie, got engaged to her boyfriend Matt this month! Matt is a world record breaker having recently completed the Mont Ventoux Race to Space with his racing team [Ultra6](#). The team set a new world record for the most feet ever climbed on a bicycle in one ride on one mountain, riding 100,000ft - the equivalent of riding to space. It was at the top of this mountain, after having just completed this gruelling trial, that Matt got down on one knee and proposed to Sophie!

IELTS PREPARATION

If you're planning on taking an IELTS exam, you can enrol on an IELTS course over the summer holidays - [My iTeacher](#) offers full IELTS skills courses as well as targeted courses in writing and speaking.

STUDY LINKS JULY STAR STUDENT

A big well done to this month's Study Links' Star Student, Marco from Rossall School. Marco received a glowing end of year report after a great first year in the UK. Alongside an outstanding academic performance, he has played for his house in basketball and been part of the RSC young analyst competition (reaching the national finals). Wow! Well done Marco! All Study Links' Star Students receive a present and card for being so fantastic! We hope you like them!
